

Microphone Essentials for the Church Vocalist

1. **Try to maintain a constant distance between your mouth and the mic.**
2. **Keep this distance at about 5cm (2")**
3. **Singing is usually louder than speaking, so TALK LOUD**
4. **Sing over the top of the mic.**
5. **Dont fondle mic cables, or clap**
6. **Know how to Mute / Unmute your mic.**

She is doing it right

Try not to look like this guy.
